| DEC. | 10 | Christmas Break up Party. | --- |

Welcome to a new year of woody fun. Planned events are liable to alteration and please remember you can always do your own thing and not a set programme or item. This is only a guide of events.

Thursdays will remain unstructured and more relaxed with no formal meeting.

We are more than happy to take your advice as well as grizzles and praise of course. Please contact any committee member any time you have a need.
