We had a great visit and Show 'n'Tell by Neville Bonney who brought along his display of pieces that were made from Native timbers. His presentation was on Sheoks which everyone enjoyed. It was a great morning with not much work being done but plenty of socializing with morning tea and a sausage sizzle for lunch. He has written a book on The subject and we were the first ones to purchase a copy hot off the press

Some of us attended the 2016 COTA SA POSITIVE AGEING AWARDS at the Intercontinental on the 28th October and guess what WE WON our Section COUNTRY SA PHN CLUB OF THE YEAR (Regional), with Elenora Seniors of Stansbury York Peninsula runner up.. It was a good night but unfortunately we did not dress up in our 70's Disco Gear. We also had 70's food which brought back memories (toothpicks with cheese, pickled onions tomato, and cocktail franks etc)
