

# LIMESTONE COAST WOODWORKERS

Limestone Coast Woodworkers is the latest of the woodwork clubs to associate with Woodgroup SA. We are based in Millicent and attract woodworkers for a 50 km radius. Our first meeting was held in January this year and we became a Special Interest Group of Woodgroup, SA in August.

We have twenty three full members of WoodgroupS A and another dozen or so potential members. Our skills and interests range over most woodwork-ing activities. We even have a couple of millers among our members!

We are currently meeting on the second Saturday of each month in our high school woodwork room from 10.00-4.00 and on the last Thursday for visits, or meetings in our library, from 7.30-9.30.

We congratulate members of Woodgroup SA on reaching the 20th anniversary and trust that there will be many more years to come. We are enthusiastic and excited at being associated with such a vibrant group.
